

# F.O.G. (Ready to Use)

F.O.G. is an effective heavy-duty multi-purpose concentrate cleaner that utilizes naturally occurring microbes to degrade grease, fats, oils, starches and proteins, converting them to harmless components.

**Make your space AQUA Tite**

1 GALLON (3.785 LITERS)

MADE IN THE USA

#### APPLICATION INSTRUCTIONS:

F.O.G. is a ready to use product. Shake well prior to use. Wear protective gloves and eye protection. Avoid breathing dust/mists.

For floors and surfaces, spray or pour F.O.G. onto the contaminated area. Scrub with a brush until area is covered and keep it moist with water - **do not let the area dry out.** Wait 15-30 minutes before rinsing the residue away with clean water. Heavily contaminated areas may need to let stand for 1 to 2 hours. Contact manufacturer for information on how to keep grease traps clean with F.O.G.

F.O.G. is also used to clean up bio-hazards such as blood, urine, vomit, and feces. Sanitizing after clean-up will still be necessary.

**WARNING: May cause an allergic reaction. May cause eye or skin irritation. May be harmful if swallowed.**

**FIRST AID TREATMENT:** IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If irritation persists, seek medical attention. IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs, seek medical advice. Wash contaminated clothes before wearing again. IF SWALLOWED: Rinse mouth and throat thoroughly with water. Call POISON CONTROL or seek medical advice if you feel unwell. Keep away from children, food items and drinking water.

**ENVIRONMENTAL SAFETY:** This product is not expected to be dangerous to the environment with respect to mobility, persistency and biodegradability, bio-accumulative potential, aquatic toxicity, and other data related to eco-toxicity.

Store in cool, dry well ventilated area. **DO NOT freeze or store above 120°F.**

Dispose of contents in accordance with all applicable local, regional and national regulations.
